

March Marketing **BULLETIN**

Hi we're Caterlink, your school's caterer. We have some fantastic offers, promotions, events and deals coming up this month. March is a very busy month! We have International Waffle Day, British Pie Week, St Patrick's Day, Destination India, St David's Day and your In Season Food Hero is... Leeks!

International Waffle Day

Everyone loves waffles and here at Caterlink we are not surprised why! They can be enjoyed as snacks, breakfast items, sweet, savoury, hot or cold. We plan on thinking outside of the box and serving waffles in fun and varied ways for our pupils.

Destination India

A great destination this month, in fact one of the nation's favourites! There will be an Indian themed as well as guest fillings for sandwiches, hot and cold grab and go curry pots, Indian themed snack pots, warming soups and more.

British Pie Week

Whether it's savoury or sweet, shortcrust or puff, with a bottom and top or just a top... It's still a pie and we are going to celebrate it! We have plenty of sweet and savoury pie fillings coming this week.

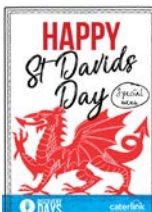

St Patrick's Day

It's all about the Irish theme on this day. From soup stations, main meals to a special green blended juice 'Paddy's Punch', we will be celebrating St Patrick's Day in our schools.

Food Hero Leeks

Leeks are versatile, tasty and very good for you. We will be adding leeks into pies, soups, vegetable stir fry's and even cakes. This vegetable will be popping up in many dishes this month and we're sure pupils will enjoy.

St David's Day

On St David's Day we will have themed pop ups and food stations that will serve different Welsh themed dishes. Some of which will include: Welsh cakes, Welsh rarebit muffins, pies and cawl.
