1. INTRODUCTION

1.1 This policy has been developed to ensure that all adults in Newall Green High School are working together to safeguard and promote the welfare of children and young people.

1.2 This policy describes the management systems and arrangements in place to create and maintain a safe learning environment for all our children, young people and staff. It identifies actions that should be taken to redress any concerns about child safety and welfare including protecting pupils and staff from extremist views, vocal or active, which are opposed to fundamental British values. All opinions or behaviours which are contrary to these fundamental values and the ethos of the school will be vigorously challenged.

1.3 The Headteacher or, in their absence, the authorised member of senior staff, has the ultimate responsibility for safeguarding and promoting the welfare of children and young people.

1.4 Safeguarding and promoting the welfare of children and young people goes beyond implementing basic child protection procedures. It is an integral part of all activities, functions, culture and ethos of Newall Green High School. This policy complements and supports other relevant school and Local Authority policies.

1.5 Under the Education Act 2002 schools/settings have a duty to safeguard and promote the welfare of their pupils and, in accordance with guidance set out in 'Working Together to Safeguard Children- March 2015' and 'Keeping Children Safe in Education –September 2016, Newall Green High School will work in partnership with other organisations where appropriate to identify any concerns about child welfare and take action to address them.

2. ETHOS

2.1 Newall Green High School aims to create and maintain a safe learning environment where all children and adults feel safe, secure and valued and know they will be listened to and taken seriously. Our school is committed to the principles outlined in 'Working Together to Safeguard Children March 2015' and implements policies, practices and procedures which promote safeguarding and the emotional and physical wellbeing of children, young people and staff.

2.2 The school is committed to supporting the delivery of effective early help through multi-agency working, a consistent application of the thresholds and the use of a single agency assessment. The Manchester Early Help Strategy is embedded into everyday practice and procedures when responding to children's needs and signposts children and families to appropriate preventative services. The children have access to appropriate curriculum opportunities, including emotional health and wellbeing, to support the development of the skills needed to help them stay safe and healthy, develop their self-esteem and understand the responsibilities of adult life, particularly in regard to child care and parenting skills.

2.3 Access to cross-curricular activities will provide opportunities to develop self-esteem and self-motivation and to help pupils respect the rights of others, particularly those groups who may be considered a minority.

2.4 Newall Green High School will exercise diligence and prevent any organisation or speaker from using the schools facilities to disseminate extremist views or radicalise pupils and staff.

3. THE CURRICULUM

3.1 All children have access to an appropriate curriculum which is broad and balanced and differentiated to meet their needs. This enables them to learn to develop the necessary skills to build self-esteem, respect others, defend those in need, resolve conflict without resorting to violence, question and challenge and to make informed choices later in life.

3.2 Children and young people are encouraged to express and discuss their ideas, thoughts and feelings through a variety of activities and have access to a range of cultural opportunities which promote the fundamental British values of tolerance, respect, understanding and empathy for others. There is access to a range of extra-curricular activities, information and material from a diversity of sources which not only promotes these values but supports the social, spiritual, moral wellbeing and physical and mental health of the pupils.

3.3 Personal Health and Social Education, Citizenship and Religious Knowledge lessons will provide opportunities for children and young people to discuss and debate a range of subjects including lifestyles, forced marriage, family patterns, religious beliefs and practices and human rights issues.

3.4 Newall Green High School takes account of the latest advice and guidance provided to help address specific vulnerabilities and forms of exploitation e.g. CSE, Radicalisation and Extremism, Forced Marriage.

3.5 All pupils will know that there are adults in the school whom they can approach in confidence if they are in difficulty or feeling worried and that their concerns will be taken seriously and treated with respect.

4. ATTENDANCE & EXCLUSION

4.1 Newall Green High School views attendance as a safeguarding issue and in accordance with the school's Attendance Policy, absences are rigorously pursued and recorded. The school/setting, in partnership with the appropriate agencies, takes action to pursue and address all unauthorised absences in order to safeguard the welfare of children and young people in its care.

4.2 The Attendance Policy identifies how individual cases are managed and how we work proactively with parents/carers to ensure that they understand why attendance is important. In certain cases this may form part of the Early Help Strategy or a Parenting Contract.

4.3 We implement the statutory requirements in terms of monitoring and reporting children missing education (CME) and off-rolling and understand how important this practice is in safeguarding children and young people.

4.4 The school will only place young people in alternative educational provision which is a registered provider and has been quality assured. Young people who require access to alternative provision will have a personalised learning plan designed to meet their needs. Their attendance will be monitored by Newall Green High School in accordance with the School Register Regulations (secondary schools only).

4.5 The designated person will be informed when a fixed term or permanent exclusion is being discussed and any safeguarding issues will be considered. Where it is felt that a child or young person is likely to be permanently excluded a multi-agency assessment will be instigated to ensure that there is improved understanding of the needs of the young person and their family and that the key agencies are involved.

5. KEEPING RECORDS

5.1 Newall Green High School will keep and maintain up to date information on children on the school roll including where and with whom the child is living, attainment, attendance, referrals to and support from other agencies. The school record will also include a chronology of any other significant event in a child's life.

We aim to do this in partnership with our parent/carers. In most cases parents and carers will be informed when concerns are raised about the safety and welfare of their child. Parents and carers should be given the opportunity to address any concerns raised.

12.2 Parents and carers will be informed if a referral is to be made to the Multi Agency Safeguarding Hub (MASH) or any other agency.

12.3 Parents/carers will not be informed if it is believed that by doing so would put the child at risk. In such cases the Designated Person or Headteacher will seek advice from the First Response Team.

The purpose of internet use in school is to help raise educational standards, promote pupil achievement and support the professional work of staff as well as enhance the school's management information and business administration.

17.2 The internet is an essential element of 21st century life for education, business and social interaction and Newall Green High School has a duty to provide children and young people with quality access as part of their learning experience.

17.3 It is the duty of Newall Green High School to ensure that every child and young person in its care is safe and this applies equally to the 'virtual' or digital world.

17.4 Newall Green High School will ensure that appropriate filtering methods are in place to ensure that pupils are safe from all types of inappropriate and unacceptable materials, including terrorist and extremist material.

18. CHILD PROTECTION CONFERENCES AND CORE GROUP MEETINGS

18.1 Members of staff are likely to be asked to attend a child protection conference or other relevant core group meetings about an individual pupil and will need to have as much relevant updated information about the child as possible. A child protection conference will be held if it is considered that the child/children are suffering or at risk of significant harm.

18.2 All reports for a child protection conference should be prepared in advance of the meeting and will include information about the child's physical, emotional, intellectual development and wellbeing as well as relevant family related issues. This information will be shared with the parents/carers.

20. COMPLAINTS OR CONCERNS BY PUPILS, STAFF OR VOLUNTEERS

20.1 Any concern or expression of disquiet made by a child will be listened to seriously and acted upon as quickly as possible to safeguard his or her welfare.

20.2 We will make sure that the child or adult who has expressed the concern or made the complaint will be informed not only about the action to be taken but also where possible about the length of time required to resolve the complaint. We will endeavour to keep the child or adult informed about the progress of the complaint/expression of concern.

21. SERIOUS CASE REVIEWS

21.1 The Manchester Safeguarding Children Board will always undertake a serious case review when a child or young person dies (including death by suicide) and abuse or neglect is known or suspected to be a factor in their death. The purpose of the serious case review is to:

21.2 Find out if there are any lessons to be learnt from the case about how local professionals and agencies work together to safeguard and promote the welfare of children and young people.

21.3 Identify what those lessons are, how they will be acted on and what is expected to change as a result of the serious case review.

21.4 Improve inter-agency working to better safeguard and promote the welfare of children and young people.

21.5 If required Newall Green High School will provide an individual management report for a serious case review and will cooperate fully with implementing outcomes of the review including reviewing policy, practice and procedures as required.
