"During my GCSEs I was supported with constant revision work and given advice about how to manage my time. Access to GCSE Pod really helped too."
Ryan Duffy, Class of 2018

We encourage parents and carers to attend our Home Learning Event so that we can work together to help students achieve their best.

It is an opportunity for you to ask any questions you may have whether these be about the homework policy, exams or about how home learning supports students in the classroom.

“There are lots of clubs at lunch and after school and places you can do your homework.”
